

Networking and Masterminds

Networking is a great way to get out of the office and to meet some wonderful people. Going to a networking event is a way to meet other entrepreneurs and possibly get some direct or indirect leads for the business. Answer the questions below to help you find some events.

Networking Events

Go to Meetup.com (www.meetup.com) and sign up with a free membership. Create your profile so they know what city you are residing. Join as many groups that are free or low costs that you like. Search Meetup groups "*Business networking*".

What did you find? _____

Do a Google search for the following. Type in the word in "" followed by your city or town. You may have to go a bit further out if you are in a more rural place.

"BNI" "Chamber of Commerce" "Rotary" "NFIB" "Lions Club" "BBB"

What did you find? _____

Do a Google search on industry-specific trade shows in your area.

What did you find? _____

Do a Google or Meetup search for masterminds in your area. If there isn't one, consider starting one.

What did you find? _____
